

December 15, 2025

Dear Senators and Representatives,

Thank you for your letter. Meta announced that it is making a donation to the Trust for the National Mall, a 501(c)(3) non-profit that supports the National Park Service and is dedicated to restoring, enriching, and preserving the National Mall, the White House grounds, and the President's Park.<sup>1</sup> We understood that we are among dozens of companies and individuals who are contributing to the White House renovation project, which will allow the White House to host larger events and state dinners.

Sincerely,

A handwritten signature in black ink, appearing to read "B Fice".

VP, Public Policy
