1 SEC. 2. PURPOSES.

2 The purposes of this Act are—

3 (1) to acknowledge the chronic failure of the
4 Federal Government—

5 (A) to fulfill its trust responsibilities to
6 American Indians, Alaska Natives, and Indian
7 tribes; and

8 (B) to respect its special political and legal
9 relationship with Native Hawaiians;

10 (2) to acknowledge the treaty obligations of the
11 Federal Government to American Indians, Alaska
12 Natives, and Indian tribes, which have never been
13 fulfilled;

14 (3) to ensure progress toward the fulfillment of
15 trust and treaty obligations of the Federal Govern-
16 ment;

1 (4) to ensure progress toward adequate funding
2 for programs for American Indians, Alaska Natives,
3 Native Hawaiians, and Indian tribes;

4 (5) to reaffirm and uphold Tribal sovereignty
5 and self-governance; and

6 (6) to acknowledge the broken promises of the
7 Federal Government to Indian tribes and Native
8 Hawaiians, as embodied by—

9 (A) the failure to uphold treaty obligations;

10 (B) the failure to fund programs that
11 should have been fully funded in exchange for
12 the loss of life and indigenous homelands;

13 (C) the ceded land and stolen natural re-
14 sources from Tribal lands; and

15 (D) the acts taken to extinguish Native
16 American culture and the traditions of Amer-
17 ican Indians, Alaska Natives, and Native Ha-
18 waiians.

19 **SEC. 3. FINDINGS.**

20 Congress finds that—

21 (1) in December 2018, the United States Com-
22 mission on Civil Rights issued a report entitled
23 “Broken Promises: Continuing Federal Funding
24 Shortfall for Native Americans”, which made a num-

1 ber of important findings, which are related to the
2 findings described in paragraphs (2) through (8);

3 (2) the unique government-to-government rela-
4 tionship between the Federal Government and In-
5 dian tribes, and the trust responsibility and obliga-
6 tions of the Federal Government to American Indi-
7 ans, Alaska Natives, and Indian tribes, are—

8 (A) enumerated in the United States Con-
9 stitution, Acts of Congress, Executive orders,
10 Supreme Court precedent, and Federal policies
11 and regulations; and

12 (B) as applicable, established in Indian
13 treaties signed by the United States;

14 (3) Congress has also passed more than 150
15 laws that promote the welfare of Native Hawaiians
16 and affirm a special political and legal relationship
17 with Native Hawaiians arising out of their status as
18 Indigenous, Native people;

19 (4) Federal programs designed to support the
20 social and economic well-being of American Indians,
21 Alaska Natives, Native Hawaiians, and Indian tribes
22 remain chronically underfunded and sometimes inef-
23 ficiently structured, which—

24 (A) leaves many basic obligations of the
25 Federal Government in rural and urban areas

1 with large populations of Native Americans
2 unmet; and

3 (B) contributes to the inequities observed
4 in Native American communities;

5 (5) woefully inadequate Federal funding for
6 Native American programs often comes with restric-
7 tions that hamper access to funds, including indirect
8 allocations of Federal funding to State governments
9 to be provided to Tribal governments and Native
10 American communities at the State's discretion,
11 which further diminishes the direct government-to-
12 government relationship between the Federal Gov-
13 ernment and Indian tribes and other funding mecha-
14 nisms for Native American communities;

15 (6) Congress often provides funding for Native
16 American programs in a manner that makes effi-
17 cient long-term planning and budgeting impossible
18 or exceedingly difficult for Tribal governments, trib-
19 al organizations, urban Indian organizations, and
20 Native American communities;

21 (7) the Federal Government continues to fail to
22 keep accurate, consistent, and comprehensive records
23 of Federal spending for Native American programs,
24 either for a given fiscal year or for longer time peri-
25 ods, making monitoring of Federal spending to meet

1 the trust responsibility and obligations of the Fed-
2 eral Government difficult; and

3 (8)(A) the Federal Government continues to in-
4 sufficiently track Native American populations and
5 use outdated or incomplete data points, contributing
6 to the lack of adequate funding provided for nec-
7 essary resources;

8 (B) there is a critical need for more accurate
9 and current data collection for American Indians,
10 Alaska Natives, and Native Hawaiians, including
11 disaggregated data on those populations; and

12 (C) inaccurate and undercounted data can neg-
13 atively impact Federal funds and services received
14 by American Indian, Alaska Native, and Native Ha-
15 waiian communities.

16 **SEC. 4. SENSE OF CONGRESS.**

17 It is the sense of Congress that—

18 (1) Indian tribes are distinct sovereigns that
19 have a government-to-government relationship with
20 the Federal Government;

21 (2)(A) the Federal Government has trust and
22 treaty obligations to Indian tribes that are estab-
23 lished in treaties signed by the United States and
24 enumerated in the Constitution of the United States,

1 Acts of Congress, Executive orders, Supreme Court
2 precedent, and Federal policies and regulations; and

3 (B) those treaties, like all treaties made under
4 the authority of the United States, are the supreme
5 law of the land, as recognized in article VI of the
6 Constitution of the United States;

7 (3)(A) the Federal Government has historically
8 failed to carry out its promises and trust and treaty
9 obligations to American Indians, Alaska Natives, In-
10 dian tribes, and, as applicable, Native Hawaiians;
11 and

12 (B) those failures—

13 (i) are ongoing, as the Federal Government
14 continually fails to adequately support the so-
15 cial and economic well-being of American Indi-
16 ans, Alaska Natives, Native Hawaiians, and In-
17 dian tribes; and

18 (ii) have created a civil rights crisis;

19 (4) the historical failures of the Federal Gov-
20 ernment described in paragraph (3) include—

21 (A) federally mandated depopulation of
22 Native Americans, including—

23 (i) numerous massacres carried out by
24 the United States; and

1 (ii) the forced relocation efforts and
2 genocide practices carried out by the
3 United States;

4 (B) successive oppressive government poli-
5 cies, such as the allotment and assimilation,
6 termination, and relocation eras;

7 (C) suppression, assimilation, and cultural
8 annihilation practices carried out against the
9 United States' Indigenous peoples; and

10 (D) an ongoing failure to acknowledge that
11 the lands that make up the United States are
12 indigenous lands;

13 (5) the Federal Government must do far more
14 to live up to its trust and treaty obligations to
15 American Indians and Alaska Natives and Indian
16 tribes, for just as the United States expects all na-
17 tions to live up to their own treaty obligations, the
18 United States should live up to its own promises;

19 (6) the Federal Government can empower
20 American Indians, Alaska Natives, and Native Ha-
21 waiians to realize enormous potential by honoring its
22 promises and obligations through the enactment of
23 legislation; and

24 (7) American Indians, Alaska Natives, and Na-
25 tive Hawaiians have long demonstrated remarkable

1 strength, resilience, and revitalization despite the
2 broken promises of the Federal Government and
3 failure to acknowledge their contributions to the
4 United States.

3 (2) presenting options for Congress and the Ex-
4 ecutive branch to ensure that funds received by
5 States and local entities for the benefit of American
6 Indians, Alaska Natives, and Native Hawaiians are
7 used for the intended purpose of the funds, includ-
8 ing options—

9 (A) to eliminate or reduce the prevalence
10 of State pass-through funding; and

11 (B) instead to provide direct funding to In-

13 (h) AUTHORIZATION OF APPROPRIATIONS.—There is

13 **DEPARTMENT OF THE INTERIOR.**

14 (a) **ESTABLISHMENT.**—There is established in the
15 Department of the Interior (referred to in this section as
16 the “Department”) the position of Deputy Secretary for
17 Native Nations, who shall—

18 (1) report immediately to the Secretary of the
19 Interior; and

20 (2) be equal with the Deputy Secretary of the
21 Interior.

22 (b) **DUTIES.**—The Secretary of the Interior shall del-
23 egate to the Deputy Secretary for Native Nations respon-
24 sibility for—

1 (1) honoring Indian treaty obligations and the
2 trust responsibility of the United States to American
3 Indians and Alaska Natives, supporting self-deter-
4 mination, promoting self-sufficiency, and overseeing
5 all affairs related to American Indians, Alaska Na-
6 tives, Native Hawaiians, and Indian tribes under the
7 jurisdiction of the Department;

8 (2) coordinating with cabinet-level officials to
9 ensure the effective provision of Federal support for
10 Tribal self-government and programs for American
11 Indians, Alaska Natives, Native Hawaiians, and In-
12 dian tribes and services under the Department; and

13 (3) implementing Indian treaties, statutes, reg-
14 ulations, Executive and Secretarial orders, pro-
15 grams, policies, and other powers related to Amer-
16 ican Indians, Alaska Natives, Native Hawaiians, and
17 Indian tribes.

18 (c) AUTHORITY.—

19 (1) IN GENERAL.—The Deputy Secretary for
20 Native Nations shall oversee the following offices
21 and functions:

22 (A) Assistant Secretary for Indian Affairs.

23 (B) Bureau of Indian Affairs, including
24 the Office of Justice Services.

25 (C) Bureau of Indian Education.

1 (D) Office of the Special Trustee for
2 American Indians.

3 (E) Office of Self-Governance.

4 (2) ADDITIONAL AUTHORITY.—The Deputy
5 Secretary for Native Nations shall coordinate the
6 Native Nations affairs and activities of the White
7 House Council on Native Nations for the President,
8 Vice President, and cabinet-level officials, subject to
9 the immediate direction of the Secretary of the Inte-
10 rior.

11 (3) AUTHORIZATION OF APPROPRIATIONS.—
12 There are authorized to be appropriated to the Dep-
13 uty Secretary for Native Nations to carry out the re-
14 sponsibilities of the Deputy Secretary for Native Na-
15 tions under this section such sums as are necessary.

16 **SEC. 12. TRIBAL CONSULTATION BY FEDERAL AGENCIES.**

17 (a) PURPOSES.—The purposes of this section are—

18 (1) to enumerate a non-exhaustive set of prin-
19 ciples to inform a codification of how Federal agen-
20 cies should engage in meaningful and timely Tribal
21 consultation;

22 (2) to underscore the importance of Tribal con-
23 sultation in the fulfilment of the trust and treaty ob-
24 ligations of the Federal Government;

1 (3) to affirm Tribal consultation and the prin-
2 ciple of free, prior, and informed consent as rights
3 of Indian tribes, predicated on Tribal sovereignty
4 and self-determination; and

5 (4) to affirm the need for the entire Federal
6 Government to recognize the importance of “regular
7 and meaningful consultation and collaboration with
8 tribal officials in the development of Federal policies
9 that have tribal implications, to strengthen the
10 United States government-to-government relation-
11 ships with Indian tribes, and to reduce the imposi-
12 tion of unfunded mandates upon Indian tribes,” as
13 quoted in Executive Order 13175 and elaborated in
14 the Presidential Memorandum of January 26, 2021.

15 (b) FINDINGS.—Congress finds that—

16 (1) as of January 2021, there existed more
17 than 27 directives, handbooks, plans, policies, or-
18 ders, and similar documents implementing various
19 Tribal consultation policies, totaling more than 300
20 pages;

21 (2) the current lack of centralization in Federal
22 agencies’ Tribal consultation policies results in a
23 large number of policies with which Indian tribes are
24 expected to be familiar in order to engage in con-
25 sultation;

1 (3) the current lack of centralization in Federal
2 agencies' Tribal consultations—

3 (A) results in a number of challenges, in-
4 cluding scheduling conflicts and unsustainable
5 drains on the resources of Indian tribes and the
6 time of Tribal leaders; and

7 (B) reflect a lack of respect for Tribal
8 leaders;

9 (4) Federal agency consultation policies take
10 dramatically different views on the purpose of Tribal
11 consultation, resulting in significantly different expe-
12 riences for Indian tribes attempting to engage in
13 meaningful nation-to-nation dialogue; and

14 (5) history demonstrates that the Federal Gov-
15 ernment best serves Native American communities
16 when Tribal governments are empowered to lead
17 their own communities.

18 (c) SENSE OF CONGRESS.—It is the sense of Con-
19 gress that—

20 (1) consultation is a right between sovereigns,
21 and the responsibilities and privileges associated
22 with it cannot be delegated to other actors;

23 (2) the purpose of Tribal consultation should be
24 for the Federal Government to obtain the free, prior,
25 and informed consent of affected Indian tribes;

1 (3) Tribal consultation—

2 (A) is both a right of Indian tribes and a
3 process;

4 (B) should occur when any Federal rule-
5 making, legislation, policy, guidance, oper-
6 ational activity, grant or funding formula
7 change, or other action may have a substantial
8 direct effect on Indian tribes;

9 (C) requires dialogue, which should often
10 take place through formal face-to-face meetings,
11 but may also occur through telephonic, elec-
12 tronic, or printed means;

13 (D) should be used to empower Tribal gov-
14 ernments to lead their own communities;

15 (E)(i) should be a collaborative process;

16 (ii) should be built upon the exchange of
17 information; and

18 (iii) should promote enhanced communica-
19 tion that emphasizes trust, respect, and shared
20 responsibility;

21 (F) should involve individuals with deci-
22 sionmaking authority; and

23 (G) in its current form is inadequate and
24 requires far more from the Federal Govern-
25 ment;

1 (4) the records resulting from consultations be-
2 tween the Federal Government and Tribal govern-
3 ments should be maintained and published, subject
4 to the condition that sensitive Tribal information
5 should be protected;

6 (5) for Tribal consultation to be effective, both
7 Indian tribes and the Federal Government should
8 have the capacity to engage effectively in the con-
9 sultation process;

10 (6) any legislation or policy attempting to pre-
11 scribe the conditions of Tribal consultation should be
12 preceded by the gathering of Tribal input with the
13 goal of reaching a consensus on the proposed legisla-
14 tion; and

15 (7) Indian tribes—

16 (A) should be involved in the Tribal con-
17 sultation process on their request or as early as
18 practicable;

19 (B) should have a meaningful remedy for
20 violations of their right to Tribal consultation;

21 (C) should be entitled to a codified, formal
22 dispute resolution process to provide the Indian
23 tribes with a potential remedy when their rights
24 as sovereigns are violated by the Federal Gov-
25 ernment; and

1 (D) should receive adequate notice, and
2 sufficient information, about any Tribal con-
3 sultation sessions.

4 **SEC. 13. INTERAGENCY WORKING GROUP ON DATA COL-**
5 **LECTION.**

6 (a) IN GENERAL.—Not later 180 days after the date
7 of enactment of this Act, the Deputy Secretary for Native
8 Nations shall establish a working group, to be known as
9 the “Interagency Working Group on Data Collection for
10 Native Populations” (referred to in this section as the
11 “Working Group”).

12 (b) PURPOSES.—The purposes of the Working Group
13 are to develop and improve systems and methodologies for
14 the collection of accurate and disaggregated data for
15 American Indian, Alaska Native, and Native Hawaiian
16 populations.

17 (c) CHAIRPERSON; MEMBERSHIP.—

18 (1) IN GENERAL.—The Deputy Secretary for
19 Native Nations shall serve as the Chairperson of the
20 Working Group.

21 (2) MEMBERSHIP.—

22 (A) IN GENERAL.—After engaging in Trib-
23 al consultation, the Deputy Secretary for Native
24 Nations, in collaboration with the Director of
25 the Bureau of the Census, shall appoint the

1 members of the Working Group in accordance
2 with subparagraph (B).

3 (B) REQUIREMENTS.—In appointing mem-
4 bers of the Working Group under subparagraph
5 (A), the Deputy Secretary for Native Nations,
6 in collaboration with the Director of the Bureau
7 of the Census, shall include—

8 (i) Tribal leaders representing each of
9 the 12 regions of the Bureau of Indian Af-
10 fairs;

11 (ii) Tribal data experts;

12 (iii) representatives of urban Indian
13 organizations;

14 (iv) representatives of Native Hawai-
15 ian organizations; and

16 (v) other members, as the Deputy
17 Secretary determines to be necessary.

18 (d) MEETINGS.—The Working Group shall meet at
19 the call of the Chairperson.

20 (e) DUTIES.—The duties of the Working Group shall
21 be the following:

22 (1) Provide a public report at least every 2
23 years, and more often if the Working Group decides
24 it is necessary, which shall be published on a pub-

1 licly available website established by the Working
2 Group, on the following:

3 (A) How to improve the quality and accu-
4 racy of data relied on by Federal agencies re-
5 garding American Indian, Alaska Native, and
6 Native Hawaiian populations, including how to
7 achieve appropriate disaggregation from other
8 populations.

9 (B) Making recommendations to develop
10 and improve systems and methodologies that
11 Federal agencies can replicate for the collection
12 of accurate and data on the populations re-
13 ferred to in subparagraph (A).

14 (C) How to protect and uphold Tribal data
15 sovereignty in the collection and use of the data
16 described in subparagraph (B).

17 (2) To receive input from Indian tribes, tribal
18 organizations, urban Indian organizations, Native
19 Hawaiian organizations, and Federal agencies, on an
20 ongoing basis, about instances in which the accuracy
21 and quality of the data described in paragraph
22 (1)(B) requires improvement, to research how to
23 achieve those improvements, and to make rec-
24 ommendations based on the findings of that re-
25 search.

1 (f) REPORT.—Not later than 1 year after the date
2 of enactment of this Act, the Chairperson of the Working
3 Group shall submit an initial report to the Committees
4 on the Budget, Health, Education, Labor, and Pensions,
5 and Indian Affairs of the Senate and the Committee on
6 the Budget, the Subcommittee on Health of the Com-
7 mittee on Energy and Commerce, and the Subcommittee
8 for Indigenous Peoples of the United States of the Com-
9 mittee on Natural Resources of the House of Representa-
10 tives.

11 (g) TRIBAL CONSULTATION.—The Deputy Secretary
12 for Native Nations, in collaboration with the Director of
13 the Bureau of the Census, shall ensure that the Working
14 Group engages in robust Tribal consultation with respect
15 to the work of the Working Group.

16 (h) TRIBAL DATA SOVEREIGNTY.—The Working
17 Group shall conduct all its work respect for Tribal data
18 sovereignty.

19 (i) AUTHORIZATION OF APPROPRIATIONS.—There
20 are authorized to be appropriated such sums as may be
21 necessary to carry out this section.

22 **TITLE I—CRIMINAL JUSTICE**
23 **AND PUBLIC SAFETY**

24 **SEC. 101. FINDINGS.**

25 Congress finds that—

1 (1) Tribal law enforcement agencies in Amer-
2 ican Indian and Alaska Native communities have
3 fewer officers per capita than other law enforcement
4 agencies nationwide, leaving residents of Indian
5 country and Alaska Native Villages less safe and
6 subject to higher rates of crime;

7 (2) Native Americans are killed during police
8 encounters at a higher rate than any other group;

9 (3) Native Americans suffer as victims of vio-
10 lent crime at a rate that is 2.5 times the national
11 average;

12 (4) Native American women are 10 times more
13 likely to be murdered and 2 times more likely to ex-
14 perience rape or experience sexual assault crimes;

15 (5) the criminal justice system in its current
16 form creates structural barriers and fails to recog-
17 nize Tribal sovereignty and inherent Tribal criminal
18 jurisdiction on Tribal lands;

19 (6) some Indian tribes established Tribal courts
20 before some State courts;

21 (7) for example, the Cherokee Nation opened its
22 Supreme Court in 1822, 23 years before the State
23 of Georgia opened its own Supreme Court;

1 (8) Indian tribes historically exercised criminal
2 jurisdiction over non-Indians who committed crimes
3 on Tribal lands;

4 (9) for example, in 1825, the Muscogee (Creek)
5 Nation passed a law criminalizing rape against
6 women on Creek lands, which applied to all “per-
7 sons”, regardless of Tribal citizenship status, and
8 the Muscogee (Creek) Nation prosecuted non-Indian
9 and Indian men who raped women on Creek lands;

10 (10) the history of inadequate Federal funding
11 for public safety on Tribal lands and complex legal
12 jurisdiction on Tribal lands negatively impacts ac-
13 cess to counsel in Tribal courts;

14 (11) in *Oliphant v. Suquamish Indian Tribe*,
15 435 U.S. 191, 212 (1978), the Supreme Court con-
16 cluded that whether Indian tribes should “be author-
17 ized to try non-Indians” is a consideration “for Con-
18 gress to weigh”;

19 (12) the Supreme Court recently affirmed this
20 holding in June 2021, in *United States v. Cooley*,
21 141 S. Ct. 1638, 1643 (2021), concluding once
22 again that “tribal authority remains subject to the
23 plenary authority of Congress”;

24 (13) existing successful Federal and Tribal self-
25 governance programs working to combat the inequi-

1 ties described in this section face chronic under-
2 funding; and

3 (14) the special Tribal criminal jurisdiction ex-
4 exercised by Indian tribes pursuant to section 204 of
5 Public Law 90–284 (25 U.S.C. 1304) (commonly
6 known as the “Indian Civil Rights Act of 1968”)
7 has been a success.

8 **SEC. 102. SENSE OF CONGRESS.**

9 It is the sense of Congress that—

10 (1) Congress should provide more resources for
11 public safety and other programs of the Department
12 of Justice and the Bureau of Indian Affairs that
13 make American Indian and Alaska Native commu-
14 nities safer;

15 (2) Congress should provide more resources for
16 Tribal law enforcement agencies, Tribal courts, and
17 Tribal detention centers to ensure Tribal sovereignty
18 over public safety programs in Indian country and
19 Alaska Native Villages;

20 (3) Indian tribes have the inherent sovereign
21 authority to exercise full criminal jurisdiction over
22 persons—

23 (A) within the sovereign territory of the
24 Indian tribe; and

1 (B) who commit a violation of Tribal
2 criminal law;

3 (4) the Supreme Court of the United States, in
4 *Oliphant v. Suquamish Indian Tribe*, 435 U.S. 191
5 (1978), violated the inherent sovereign authority of
6 Indian tribes by wrongly limiting tribal criminal ju-
7 risdiction and removing Tribal authority to pros-
8 ecute non-Indians unless authorized by Congress;

9 (5) the limitation by the Supreme Court of the
10 United States of inherent Tribal jurisdiction has ef-
11 fectively granted non-Indians immunity for crimes
12 committed in Indian country and Alaska Native Vil-
13 lages, leading to violence and criminal activity by
14 non-Indians and preventing Indian tribes from tak-
15 ing recourse;

16 (6) the Violence Against Women Reauthoriza-
17 tion Act of 2013 (Public Law 113–4; 127 Stat. 54)
18 recognized and affirmed the inherent criminal juris-
19 diction of Indian tribes over non-Indians who com-
20 mit crimes of domestic violence against Indians in
21 Indian country;

22 (7) the Violence Against Women Reauthoriza-
23 tion Act of 2022 (Public Law 117–103; 136 Stat.
24 840) recognized and affirmed the inherent criminal
25 jurisdiction of Indian tribes over non-Indians who

1 commit crimes of assaults on Tribal justice per-
2 sonnel, child violence, obstruction of justice, sexual
3 violence, sex trafficking, and stalking;

4 (8) the jurisdiction of Indian tribes over the
5 crimes described in paragraphs (6) and (7) is known
6 as “special Tribal criminal jurisdiction”;

7 (9) the exercise of special Tribal criminal juris-
8 diction has allowed many Indian tribes to begin to
9 address the crisis of violence against American In-
10 dian and Alaska Native women by holding offenders
11 accountable and pursuing justice for victims;

12 (10) the Indian tribes that have chosen to im-
13 plement special domestic violence criminal jurisdic-
14 tion under the Violence Against Women Reauthor-
15 ization Act of 2013 (Public Law 113–4; 127 Stat.
16 54) have successfully upheld the rights of defendants
17 under that Act and complied with the requirements
18 of that Act, including due process protections, but
19 this partial restoration of Tribal jurisdiction has
20 proven insufficient to address the range of serious
21 crimes committed by non-Indians in Indian country
22 and Alaska Native Villages and in violation of Tribal
23 criminal law, and as a result, a large number of vio-
24 lent crimes committed against Native victims go
25 unprosecuted; and

1 (11) Congress has a trust duty and responsi-
2 bility, stemming from both the treaties signed with
3 Indian tribes and the Constitution of the United
4 States, to fund and support strong Tribal govern-
5 ments, which necessarily includes the funding of
6 Tribal courts, Tribal law enforcement, and victim
7 services.

8 **SEC. 103. FULL TRIBAL CRIMINAL JURISDICTION.**

9 (a) IN GENERAL.—Title II of Public Law 90–284 (25
10 U.S.C. 1301 et seq.) (commonly known as the “Indian
11 Civil Rights Act of 1968”) is amended by adding at the
12 end the following:

13 **“SEC. 205. FULL TRIBAL CRIMINAL JURISDICTION.**

14 “(a) DEFINITIONS.—In this section:

15 “(1) ALASKA NATIVE VILLAGE.—The term
16 ‘Alaska Native Village’ means an Alaska Native Vil-
17 lage Statistical Area covering all or any portion of
18 a Native village (as defined in section 3 of the Alas-
19 ka Native Claims Settlement Act (43 U.S.C. 1602)),
20 as depicted on the applicable Tribal Statistical Area
21 Program Verification map of the Bureau of the Cen-
22 sus.

23 “(2) FULL CRIMINAL JURISDICTION.—The term

4 **TITLE II—HEALTH CARE**

5 **SEC. 201. FINDINGS.**

6 Congress finds that—

7 (1) funding for the Indian Health Service and
8 health care for American Indians and Alaska Na-
9 tives is inequitable and unequal;

10 (2) Indian Health Service expenditures per cap-
11 ita are well below other Federal healthcare pro-
12 grams, which results in—

13 (A) unacceptable health conditions of
14 American Indians and Alaska Natives; and

15 (B) American Indians and Alaska Natives
16 living sicker and dying younger than other indi-
17 viduals in the United States;

18 (3) the urban Indian health care budget has
19 failed to keep pace with urban Indian population
20 growth or inflation, and that severe underfunding
21 impedes fulfillment of the trust and treaty obliga-
22 tions of the Federal Government;

23 (4) due to chronic underfunding to healthcare
24 programs that serve American Indians and Alaska
25 Natives, American Indians and Alaska Natives face

1 overwhelming health disparities compared to other
2 populations, including—

3 (A) having lower life expectancies and ex-
4 periencing a disproportionate number of dis-
5 eases; and

6 (B) dying at higher rates than other indi-
7 viduals in the United States from chronic liver
8 disease, cirrhosis, diabetes mellitus, uninten-
9 tional injuries, intentional self-harm and sui-
10 cide, and chronic lower respiratory diseases;

11 (5) the significant decline of third-party reim-
12 bursements for care, as clinics serving Tribal areas
13 operate with limited staff and cancel non-essential
14 procedures and visits, is affecting Tribal resources,
15 which—

16 (A) reduces the amount that Tribal health
17 facilities can bill Medicare, Medicaid, or other
18 private insurances for reimbursement of serv-
19 ices; and

20 (B) poses a threat to the continuity of op-
21 erations of those facilities;

22 (6)(A) section 10221 of the Patient Protection
23 and Affordable care Act (Public Law 111–148; 124
24 Stat. 935) permanently reauthorized the Indian
25 Health Care Improvement Act (25 U.S.C. 1601 et

1 seq.) in the hope of reducing health disparities faced
2 by Native Americans; but

3 (B) many of the provisions of the Indian Health
4 Care Improvement Act (25 U.S.C. 1601 et seq.) re-
5 main underfunded; and

6 (7) the Native Hawaiian Health Care Improve-
7 ment Act (42 U.S.C. 11701 et seq.) authorized the
8 Native Hawaiian Health Care Program—

9 (A) to improve the health status of Native
10 Hawaiians; and

11 (B) to provide Native Hawaiian health
12 care programs with the resources necessary to
13 improve the health status of Native Hawaiians.

14 **SEC. 202. SENSE OF CONGRESS.**

15 It is the sense of Congress that—

16 (1) funding for the delivery of health care to
17 American Indians, Alaska Natives, and Native Ha-
18 waiians through the Indian Health Service, Indian
19 tribes, tribal organizations, urban Indian organiza-
20 tions, and the Native Hawaiian Health Care Pro-
21 gram should be fully funded;

22 (2) the funding described in paragraph (1)
23 should be mandatory;

24 (3) Congress should allocate funding to job
25 training and tuition reimbursement programs to in-

1 crease the number of clinicians and non-medical
2 health care staff serving American Indians, Alaska
3 Natives, Native Hawaiians, and Indian tribes;

4 (4) Congress should provide funding under the
5 Medicare program under title XVIII of the Social
6 Security Act (42 U.S.C. 1395 et seq.) and the Med-
7 icaid program under title XIX of that Act (42
8 U.S.C. 1396 et seq.) directly to Indian tribes and
9 end the practice of pass-through of funds through
10 States;

11 (5)(A) the Indian Health Care Improvement
12 Act (25 U.S.C. 1601 et seq.) is crucial to protecting
13 the health and well-being of American Indians and
14 Alaska Natives;

15 (B) all of the provisions of that Act should be
16 implemented and fully funded; and

17 (C) in accordance with section 3 of that Act (25
18 U.S.C. 1602), it is the policy of the United States,
19 in fulfillment of the special trust responsibilities and
20 legal obligations to Indians of the United States, in-
21 cluding Indians living in urban settings—

22 (i) to ensure the highest possible health
23 status for Indians and to provide all resources
24 necessary to effect that policy;

1 (ii) to raise the health status of Indians to
2 at least the levels set forth in the goals con-
3 tained within the Healthy People 2010 initiative
4 or successor objectives;

5 (iii) to ensure maximum Indian participa-
6 tion in the direction of health care services so
7 as to render the persons administering such
8 services and the services themselves more re-
9 sponsive to the needs and desires of Indian
10 communities;

11 (iv) to increase the proportion of all de-
12 grees in the health professions and allied and
13 associated health professions awarded to Indi-
14 ans so that the proportion of Indian health pro-
15 fessionals in each Indian Health Service area is
16 raised to at least the level of that of the general
17 population;

18 (v) to require that all actions under that
19 Act shall be carried out with active and mean-
20 ingful consultation with Indian tribes, and con-
21 ference with tribal organizations and urban In-
22 dian organizations, to implement that Act and
23 the national policy of Indian self-determination;

24 (vi) to ensure that the United States and
25 Indian tribes work in a government-to-govern-

1 ment relationship to ensure quality health care
2 for all Tribal members; and

3 (vii) to provide funding for programs and
4 facilities operated by Indian tribes and tribal
5 organizations in amounts that are not less than
6 the amounts provided to programs and facilities
7 operated directly by the Indian Health Service;

8 (6) legal challenges to that Act and the Patient
9 Protection and Affordable Care Act (Public Law
10 111–148; 124 Stat. 119) are harmful;

11 (7) legislation to address the opioid and sub-
12 stance use epidemic facing American Indian, Alaska
13 Native, and Native Hawaiian communities (known
14 as the “Comprehensive Addiction Resources Emer-
15 gency Act of 2021”, S. 3418 and H.R. 6311, 117th
16 Congress, as introduced on December 16, 2021)
17 should be enacted without delay; and

18 (8) legislation to provide significant resources
19 to Indian tribes to combat child abuse and neglect
20 (known as the “ American Indian and Alaska Native
21 Child Abuse Prevention and Treatment Act”, S.
22 1868 and H.R. 1566, 117th Congress, as introduced
23 on May 26, 2021, and March 3, 2021, respectively)
24 should be enacted without delay.

20 **TITLE III—EDUCATION**

21 **SEC. 301. FINDINGS.**

22 Congress finds that—

23 (1)(A) Native American students experience
24 discernible disparities in access to educational oppor-

1 tunities compared to their non-Native-American
2 peers; and

3 (B) those disparities in educational opportuni-
4 ties—

5 (i) have a profound impact on the social
6 and economic opportunities and well-being of
7 Native American students and Native American
8 communities; and

9 (ii) mean that Native American students
10 are likely to experience disproportionate levels
11 of discipline while in school that leads to those
12 students being suspended or expelled, increas-
13 ing the likelihood of those students to be in-
14 volved in the school-to-prison pipeline;

15 (2) the Federal Government has failed in its
16 trust obligation to provide educational services that
17 address the unique situation of Native American stu-
18 dents;

19 (3)(A) a majority of Native American students
20 attend public schools, many of which lack curricula
21 that provide historically accurate and culturally com-
22 petent representation or discussion of Native Ameri-
23 cans and their history in the United States; and

24 (B) the failure to include historically accurate
25 and culturally competent curricula leads to a lack of

1 understanding for all students of the history and
2 contributions of Native Americans;

3 (4)(A) Native American students make up 1.1
4 percent of students attending public schools;

5 (B) Native American students have the lowest
6 high school graduation rates and the lowest scores
7 on reading and math elementary and secondary
8 school standardized tests;

9 (C) students attending schools funded by the
10 Bureau of Indian Affairs (referred to in this title as
11 “Bureau-funded schools”) have lower academic
12 scores than their non-Native American peers who at-
13 tend public school; and

14 (D) educational disparities continue into higher
15 education, with only 16 percent of Native American
16 students obtaining a bachelor’s degree compared to
17 the national average of 36 percent of individuals in
18 the same age group;

19 (5)(A) the enactment of the Indian Self-Deter-
20 mination and Education Assistance Act (25 U.S.C.
21 5301 et seq.) allowed federally recognized Indian
22 tribes to contract with the Bureau-funded schools
23 and provide education programs;

24 (B) with 183 Bureau-funded schools, the Bu-
25 reau of Indian Education is obligated to provide cul-

1 turally relevant, high-quality education opportunities
2 to Native American students; and

3 (C) Bureau-funded schools consistently struggle
4 to recruit and retain qualified and effective teachers
5 due to noncompetitive salaries, isolated rural set-
6 tings, difficult work environments, lack of job oppor-
7 tunities for spouses and partners, and marginal
8 housing opportunities; and

9 (6)(A) American Indian and Alaska Native trib-
10 ally chartered colleges and universities (TCUs) were
11 established beginning in the late 1960s due to the
12 failure of the United States higher education system
13 to include American Indians;

14 (B) in addition to providing place-based and
15 culturally grounded higher and career/technical edu-
16 cation, TCUs are charged with preserving and revi-
17 talizing Tribal cultures, languages and lands, and
18 strengthening Tribal sovereignty; and

19 (C) TCUs face significant challenges and in-
20 equities, including—

21 (i) the lack of adequate operating funding
22 from the Department of the Interior;

23 (ii) the inability to grow endowments; and

24 (iii) a disproportionate number of students
25 living in poverty, suffering food and housing in-

1 security, and unprepared for post-secondary
2 education.

3 **SEC. 302. SENSE OF CONGRESS.**

4 It is the sense of Congress that Congress should—

5 (1) provide full funding for Tribal Colleges and
6 Universities and Bureau-funded schools, including
7 increased funding to develop lessons and curricula
8 that provide culturally competent and historically ac-
9 curate information;

10 (2) provide increased funding to recruit and re-
11 tain teachers at schools that serve a high proportion
12 of Native students, including Bureau-funded schools,
13 in order to address the educational disparities faced
14 by Native American students described in section
15 301;

16 (3) provide full funding for school construction
17 and repairs at Bureau-funded schools, which have
18 lacked long-standing adequate funding and
19 prioritization, to correct facilities operations ineffi-
20 ciencies that contribute to the chronic poor edu-
21 cational outcomes and performance of students at
22 those schools; and

23 (4) increase and make permanent pro-
24 grammatic funding for Native American language
25 programs to restore the elimination of traditional

1 languages that colonial education forced on Native
2 American students during the Assimilation Era.

3 **SEC. 303. MANDATORY FUNDING FOR TRIBAL COLLEGES**
4 **AND UNIVERSITIES.**

5 Section 371(b) of the Higher Education Act of 1965
6 (20 U.S.C. 1067q(b)) is amended—

7 (1) in paragraph (1)—

8 (A) by striking subparagraph (A) and in-
9 serting the following:

10 “(A) PROVISION OF FUNDS.—There shall
11 be available to the Secretary to carry out this
12 section, from funds in the Treasury not other-
13 wise appropriated, \$300,000,000 for fiscal year
14 2023 and each fiscal year thereafter.”; and

15 (B) by adding at the end the following:

16 “(C) ADJUSTMENT FOR INFLATION.—The
17 amount made available under paragraph (1)(A)
18 for fiscal year 2024 and each fiscal year there-
19 after shall be adjusted annually to reflect the
20 change in the Consumer Price Index for All
21 Urban Consumers published by the Bureau of
22 Labor Statistics.”; and

23 (2) in paragraph (2)—

24 (A) in subparagraph (A)—

1 (i) in each of clauses (i) and (ii), by
2 striking “\$100,000,000” and inserting
3 “\$117,500,000”; and

4 (ii) in clause (iii), by striking

3 **TITLE V—ECONOMIC**
4 **DEVELOPMENT**

5 **SEC. 501. FINDINGS.**

6 Congress finds that—

7 (1) the Federal Government has failed to honor
8 its trust responsibility to promote Tribal self-deter-
9 mination through the support of economic develop-
10 ment on Tribal lands;

11 (2) the Federal Government has failed to assist
12 Indian tribes with the individualized economic devel-
13 opment necessary for Indian tribes—

14 (A) to exercise self-determination; and

15 (B) to make knowledgeable decisions as to
16 how to best develop and manage the resources
17 on Tribal lands for the benefit of the Indian
18 tribe;

19 (3) Native Americans experience—

20 (A) a poverty rate that is approximately
21 twice the national average; and

22 (B) higher rates of unemployment than
23 any other group of people in the United States;

24 (4) due to the remote location of many Indian
25 tribes, individuals may have long commutes, which

1 are further exacerbated by inadequate roads and in-
2 frastructure due to chronic underfunding and lack of
3 transportation;

4 (5) Indian tribes have had limited access to, or,
5 in many cases, no direct access to, electricity, water,
6 broadband, and adequate infrastructure;

7 (6)(A) only 65 percent of American Indians and
8 Alaska Natives living on Tribal lands have access to
9 fixed broadband services;

10 (B) only 69 percent of American Indian, Alaska
11 Native, and Native Hawaiian households residing on
12 rural Tribal lands have telephone services; and

13 (C) the lack of access described in subpara-
14 graphs (A) and (B) is in stark contrast with the na-
15 tional average of 98 percent of households that have
16 access to telephone services, and 92 percent of indi-
17 viduals living outside of Tribal lands that have ac-
18 cess to fixed broadband services;

19 (7) approximately 1,500,000 people living on
20 Tribal lands lack access to broadband;

21 (8) 75 percent of rural Indian Health Service
22 facilities still lack reliable broadband networks for
23 American Indians and Alaska Natives to access tele-
24 health or clinical health care services, which is a
25 critical need in the most geographically isolated

1 areas of the United States, furthering economic in-
2 equities on Tribal lands;

3 (9) according to the Bureau of Indian Edu-
4 cation, up to 95 percent of Native American stu-
5 dents at some Bureau of Indian Education schools
6 cannot access internet services at home;

7 (10) lack of internet access negatively affects
8 the ability to conduct business online, which took on
9 increased importance since the beginning of the
10 Coronavirus Disease 2019 (COVID–19) pandemic;
11 and

12 (11) very few Indian tribes have established
13 telecommunications companies to provide residential
14 phone and internet services.

15 **SEC. 502. SENSE OF CONGRESS.**

16 It is the sense of Congress that—

17 (1) Congress should determine and provide the
18 funding needed to meet the essential utilities and
19 core infrastructure needs on Tribal lands, such as
20 electricity, water, telecommunications, and roads;

21 (2) Congress should—

22 (A) provide direct, mandatory funding to
23 Indian tribes and the Department of Hawaiian
24 Home Lands; and

1 (B) allow Indian tribes and the Depart-
2 ment of Hawaiian Home Lands to leverage
3 Federal funding;

4 (3) in cases in which Federal infrastructure
5 projects occur on or affect Tribal lands or Tribal or
6 Native Hawaiian communities, the Federal Govern-
7 ment should engage in, as applicable—

8 (A) consistent, transparent, and deferential
9 consultation with Indian tribes; and

10 (B) consistent, transparent, and deferen-
11 tial collaboration with the Department of Ha-
12 waiian Home Lands and Native Hawaiian orga-
13 nizations;

14 (4) the Federal Government should include
15 Tribal sovereignty principles for Indian tribes to
16 manage and self-govern natural resources, including
17 electromagnetic spectrum over Tribal lands, in ac-
18 cordance with the Federal trust responsibility and
19 acknowledgment of their sovereignty, to promote
20 economic development and self-management of those
21 modern natural resources;

22 (5) the Federal Government should clarify the
23 inherent ownership by Indian tribes and Native Ha-
24 waiian organizations of spectrum licenses and spec-
25 trum over Tribal lands and Hawaiians, and preserve

1 that ownership, in furtherance of the Federal trust
2 responsibility over, and Indian and Native Hawaiian
3 self-governance of their own modern natural re-
4 sources;

5 (6) the Federal Government should—

6 (A) diminish the effect of the Tribal pri-
7 ority filing windows, auctions for spectrum li-
8 censes over Tribal lands, and assignment and
9 leasing of spectrum over Tribal lands carried
10 out by the Federal Communication Commission;

11 (B) ensure the competitive bidding author-
12 ity of the Federal Communication Commission
13 does not apply to licenses or construction per-
14 mits issued by the Commission over Tribal
15 lands and Hawaiian home lands; and

16 (C) permanently eliminate the public avail-
17 ability of spectrum over Tribal lands and Ha-
18 waiian home lands; and

19 (7) legislation to address the lack of spectrum
20 access by Indian tribes over Tribal lands and to de-
21 ploy wireless broadband services, in furtherance of
22 Tribal sovereignty (known as the “DIGITAL Res-
23 ervations Act” or the “Deploying the Internet by
24 Guaranteeing Indian Tribes Autonomy over Licens-
25 ing on Reservations Act”, S. 4331 and H.R. 7774,

1 116th Congress, as introduced on July 27, 2020,
2 and July 24, 2020, respectively), should be enacted
3 without delay.
