December 16, 2025

The Honorable Elizabeth Warren  
United States Senate  
311 Hart Senate Office Building  
Washington, D.C. 20510

Dear Senator Warren,

Thank you for your December 3, 2025, letter about NVIDIA's donation to the Trust for the National Mall.

As our CEO explained in press interviews, NVIDIA donated to the Trust for the National Mall, a 501(c)(3) nonprofit entity that partners with the National Park Service to care for and improve the National Mall and White House grounds. The principal and historic purpose of this Trust is to raise private funding to support capital projects.

As the Trust's website explains, "every monument and memorial on the National Mall was built or restored in part through private donations."<sup>1</sup> Private donations funded the Washington Monument and memorials dedicated to Abraham Lincoln, Thomas Jefferson, Franklin D. Roosevelt, Martin Luther King, Jr., and Americans who served in armed conflict throughout our history.

With its donation to the Trust for the National Mall, NVIDIA joined other American companies in supporting the U.S. government's new facility, which will host major events for generations to come, benefitting the American people.

As a leading American company, our support for the United States is paramount. Our voluntary donation to the Trust for the National Mall is a purely charitable contribution to a nonpartisan U.S. trust that serves all Americans, irrespective of political party or affiliation.

We hope that our contribution will continue the long tradition of private support for the National Mall, and the National Park Service's and Trust for the National Mall's efforts to support "a place that inspires pride, honors our nation's founding, and celebrates our nation's history and its future."<sup>2</sup>

Thank you again for your letter and the opportunity to respond.

Sincerely,

A handwritten signature in black ink, appearing to read "Ned Finkle".

Ned Finkle  
Vice President for External Affairs  
NVIDIA
