Good evening,

As I mentioned in my earlier email, our contract with the Office of Federal Student Aid requires that CRI notify FSA before providing information in response to third-party requests, including congressional requests. In accordance with this requirement, we have been in contact with FSA regarding CRI's response to the letter.

Because the senators' letter requests information and data maintained by the Department of Education's office of Federal Student Aid, we respectfully ask that the request be redirected to the Department via the Office of Legislation and Congressional Affairs.

Respectfully,
