Dirksen Senate Office Building
Washington, D.C. 20510

Dear Chair Britt and Ranking Member Murphy,

I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2026 Homeland Security Bill, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate. None of the entities for which I have requested congressionally directed spending are for-profit entities.

Sincerely,

Elizabeth Warren
United States Senator

Congressionally Directed Spending Requests**

| Recipient Name | Project Purpose | Project Location | Amount Requested (\$000) |
|---|---|-------------------------|---------------------------------|
| Acushnet Office of Emergency Management | The purpose of this project is to modernize and expand the Emergency Operations Center within the Town of Acushnet, as well as upgrade the communications equipment. | Acushnet MA | \$3,750 |
| Berkley Police Department | The implementation of the Emergency Operations Center will allow, for the first time, a true command post for the town in a crisis. This will allow Police, Fire, and Emergency Management a place to have a unified command while emergency upgrading portable radios. | Berkley MA | \$105 |
| City of Brockton, MA | The Brockton Emergency Operations Center (EOC) is a component of the City's new Public Safety Complex, which is slated to be complete in August 2025. The EOC addresses multiple areas of need in Brockton by combining the operations of the Police, Fire, IT, and Emergency Management departments. | Brockton MA | \$2,438 |
| Town of Dalton | To build an emergency operation center within the police department building. | Dalton MA | \$2,250 |
| City of Everett - Everett Fire Department | The City of Everett Fire Department is seeking funds to have classes on elevator/escalator training that would include backfill for overtime for the department. | Everett MA | \$399 |
| City of Northampton | The City of Northampton seeks funding to replace outdated equipment at the Hockanum Pumping Station and rehabilitate its 1930s structure. As extreme weather increases and threaten the city's infrastructure, the station's function is critical to evacuating floodwaters from the city interior. | Northampton MA | \$3,400 |
| Town of Norton | Funds to equip New Town Hall's EOC | Norton MA | \$22 |
