WASHINGTON, DC 20510

May 23, 2025

Subcommittee Chair John Kennedy  
Subcommittee on Energy and Water  
Development  
U.S. Senate Committee on Appropriations  
Dirksen Senate Office Building  
Washington, D.C. 20510

Subcommittee Ranking Member Patty Murray  
Subcommittee on Energy and Water  
Development  
U.S. Senate Committee on Appropriations  
Dirksen Senate Office Building  
Washington, D.C. 20510

Dear Chair Kennedy and Ranking Member Murray,

I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2026 Energy and Water Development Bill, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate. None of the entities for which I have requested congressionally directed spending are for-profit entities.

Sincerely,

Elizabeth Warren  
United States Senator

**Warren, Elizabeth(D-MA) Energy and Water Development  
Congressionally Directed Spending Requests**

<b>Recipient Name</b>	<b>Project Purpose</b>	<b>Project Location</b>	<b>Amount Requested (\$000)</b>
Army Corps of Engineers	Operations and Maintenance	Barre MA	\$1,155
City of Boston	The Flood Mitigation at Affordable Housing project will reduce flooding and prevent pollution at affordable housing developments in Boston by implementing infrastructure solutions to improve stormwater management, while providing job training through PowerCorps, a 10-month Green Industry Workforce.	Boston MA	\$4,000
City of Boston	The City of Boston and U.S. Army Corps of Engineers (USACE) are partnering to conduct a Coastal Storm Risk Management Feasibility Study. The completion of the study will result in development and construction of recommended flood protection measures, cost shared 65%/35% between USACE and Boston.	Boston MA	\$150
Army Corps of Engineers	Operation and Maintenance	Bourne MA	\$36,590
Army Corps of Engineers	Operations and Maintenance	Brimfield MA	\$1,725
Army Corps of Engineers	Operation and Maintenance	Charlton MA	\$2,434
Army Corps of Engineers	Funding will support implementation of Phase 3 of the Locke Street sewer separation project by the Army Corps of Engineers. Phase 3 will disconnect catch basins from the sanitary sewer and install new storm drainage pipes to protect water quality in the Merrimack and Little Rivers.	Haverhill MA	\$3,500
Army Corps of Engineers	Operations and Maintenance	Huntington MA	\$2,446
Army Corps of Engineers	Operations and Maintenance	Huntington MA	\$949
Community Health Center of Cape Cod, Inc.	Installation of a solar canopy and battery back-up system at the health center's main, 33,000 square-foot, location in Mashpee. This project replaces antiquated gas-based systems, providing over 32% off set and nearly 7 hours of battery back-up for operations.	Mashpee MA	\$865
Army Corps of Engineers	Operations and Maintenance	Millis MA	\$451
Army Corps of Engineers	Operations and Maintenance	Monson MA	\$739
Army Corps of Engineers	Operations and Maintenance	New Bedford MA	\$601
Army Corps of Engineers	Feasibility Study for the aging USACE Hoosic River Basin Flood Control Project, which was designed using engineering standards of the 1940s and constructed in the 1950s.	North Adams MA	\$1,650
The Center for EcoTechnology, Inc.	Peabody and Ipswich residents, including renters and lower-income homeowners will be able to access clean energy. With Inclusive Utility Investments, utilities companies cover upgrade costs, and residents pay a monthly charge no greater than the savings in energy costs afforded by the new measure.	Northampton MA	\$5,000
Army Corps of Engineers	Operations and Maintenance	Oxford MA	\$3,913
Army Corps of Engineers	Operations and Maintenance	Royalston MA	\$2,515

Army Corps of Engineers	Operation and Maintenance	Royalston MA	\$1,153
Army Corps of Engineers	Operations and Maintenance	Statewide MA	\$707
Army Corps of Engineers	Operation and Maintenance	Uxbridge MA	\$1,311
Army Corps of Engineers	Operation and Maintenance	Westville MA	\$1,392
