Congressionally Directed Spending Requests**

Recipient Name	Project Purpose	Project Location	Amount Requested (\$000)
Barnstable County on behalf of Cape Cod Commission	This regional initiative will identify vulnerable infrastructure, measures to increase resiliency, include economic analyses to guide implementation, and provide a foundation to lessen impacts of extreme weather, benefiting public health and welfare.	Barnstable MA	\$713
Town of Brookline	All core connected Urban Areas Security Initiative systems will need to budget for software and hardware upgrades to be compatible with the new systems A.2024 release.	Brookline MA	\$300
The Massachusetts Emergency Management Agency	MEMA's four EOC locations are: SEOC in Framingham, REOC in Agawam, Tewksbury and Franklin. All locations need various updates and renovations, including technology and A/V improvements, cameras and access control systems, uninterrupted power supply, and renovating footprints to repurpose space.	Framingham MA	\$1,250
Cape Ann Regional Emergency Planning Committee Projects and Initiatives	This programmatic funding would go towards regional emergency management training, planning, exercises, and purchasing of mass care supplies for our regional mass care program.	Gloucester MA	\$600
City of Lowell, Emergency Management Department	Purchase updated emergency communication equipment for their Emergency Operations Center. This will increase interoperability and communication between response agencies, the EOC and Emergency Management Agency, to better coordinate and monitor infrastructure during emergencies and protect lives.	Lowell MA	\$100
Nantucket Fire Department	This project will enhance the emergency notification system for the island of Nantucket by enhancing a real-time audible alarm for threats facing the community and visitors. It is an essential part of the emergency management of the island to assist in mitigating severe weather notifications.	Nantucket MA	\$174
The City of Northampton	The City of Northampton seeks funding to replace outdated equipment at the Hockanum Pumping Station and rehabilitate the building structure originally constructed in the 1930s.	Northampton MA	\$10,000
Town of Northborough	The Town of Northborough seeks funding to replace its aging public safety communications system with a modern, interoperable UHF P25 simulcast system.	Northborough MA	\$2,703
Plainville Emergency Management Agency	This funding will help Plainville outfit its newly acquired emergency management trailer. The trailer will respond to all major incidents/ pre-planned events within the town and surrounding areas to assist with all aspects of emergency management.	Plainville MA	\$4
Town of Winchester	The purpose of this project is to retrofit flood prone sites that serve vulnerable communities, such as Housing Authority properties and public parks.	Winchester MA	\$1,000
