Dear Chair Collins, Vice Chair Murray, Chair Hagerty and Ranking Member Reed:

I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2027 Financial Services and General Government appropriations bill, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate. None of the entities for which I have requested congressionally directed spending are for-profit entities.

Sincerely,

Elizabeth Warren
United States Senator

Recipient Name	Project Purpose	Project Location	Amount Requested (\$000)
Conexion, Inc.	To provide workforce development and leadership training for entrepreneurs and small business leaders in Massachusetts through a structured, mentorship-based program.	Boston MA	\$280
Roxbury Community College	The Business Innovation Center's expansion will provide Boston-based entrepreneurs with access to the critical resources needed to establish or grow their business, providing a pathway to attain financial stability and build generational wealth through business ownership.	Boston MA	\$1,000
Massachusetts Center for Employee Ownership	To expand funding of MassCEO's stipend program supporting technical assistance for ESOP and worker cooperative conversions. It supports feasibility, valuation, legal, and transaction-planning services needed to preserve jobs, broaden democratic employee ownership, and support business continuity.	Boston MA	\$300
Veronica Robles Cultural Center	To expand the Cultural Entrepreneurship Program to support Latino microbusinesses annually in East Boston. The project strengthens a culinary incubator, provides bilingual training, technical assistance, and revenue opportunities for creative and culinary microenterprises.	Boston MA	\$500
Embrace Boston Inc.	"To build-out and launch the Embrace Ventures small business development center and creative entrepreneurship hub. Embrace Ventures will provide training, technical assistance, and flexible commercial infrastructure. "	Boston MA	\$1,200
Black Biz Dev Inc.	The Roxbury project expands applied, qualitative, quantitative, oral history, and performance research to tell the story of an existing, thriving, self-sustaining entrepreneurial and business community.	Boston MA	\$300
Huntington Theatre Company Inc.	To provide highly-subsidized production space and resources to support the entrepreneurial development of smaller Boston arts companies by providing use of Huntington's facilities and more venue offerings for a broader range of arts productions.	Boston MA	\$725
Sustainable Business Network of Massachusetts	SBN's Small Business Technical Assistance Program delivers technical assistance, financial education, and market access to small businesses, farmers, and food-based businesses across Massachusetts, strengthening business sustainability, expanding access to capital, and supporting local job creation.	Cambridge MA	\$300
Blue Hill Observatory & Science Center, Inc.	Blue Hill Observatory & Science Center seeks funding to digitize its 141 years of daily atmospheric observations including weather patterns, seasonal trends, and hourly measurements. Preserving these records in a digital format would allow for public access to and use of these records.	Milton MA	\$685
Town of Monson Highway Department	Funding for this project will be used to replace the aging current Salt Shed from 1980 with damage stemming from the 2011 tornado. This is located at the Monson Highway Department adjacent to Chicopee Brook.	Monson MA	\$2,000
Bombyx Center for Arts & Equity	This project will quantify the region's creative economy by providing business training, engage undercounted creatives/businesses to build profiles on the ArtsHub/Creative Ground directory, build City Arts Pages to promote commerce/tourism, and unveil the Mapping report at a Creative Economy Summit.	Northampton MA	\$636
The American City Coalition, Inc.	To transform an underutilized commercial space in Boston's Roxbury neighborhood into a community-driven business incubator that offers retail space, training, and shared resources to help entrepreneurs and early-stage small businesses launch, test, and scale while strengthening the local economy.	Roxbury MA	\$1,004

Greentown Collaborative, Inc.	This project will deliver training and technical assistance to climate and energy small businesses in Massachusetts, supporting company growth, market entry, and commercialization while reinforcing the Commonwealth's leadership in clean energy innovation and creating high-quality jobs.	Somerville MA	\$250
United Latinos Business Alliance, Inc.	The purpose of this project is to establish a permanent and sustainable Co-Working venue to assist Low Income and historically marginalized entrepreneurs as they open, strengthen and scale their businesses.	Webster MA	\$2,350
Massachusetts Women of Color Coalition	To improve growth, contracting capacity, and capital access for disadvantaged, women- and minority-owned businesses in Worcester County, expand the POWER-PATH model with AI-driven tools, and establish a research partnership with Worcester State University, scaling impact through a replicable model.	Worcester MA	\$1,500
