The Honorable Tammy Baldwin
Ranking Member
Subcommittee on Labor, Health and Human
Services, Education, and Related Agencies
Washington, DC 20510

Dear Chair Collins, Vice Chair Murray, Chair Moore Capito and Ranking Member Baldwin:

I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2027 Labor, Health and Human Services, Education, and Related Agencies appropriations bill, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate. None of the entities for which I have requested congressionally directed spending are for-profit entities.

Sincerely,

Elizabeth Warren
United States Senator

**Warren, Elizabeth(D-MA) Labor, Health and Human Services, and Education
Congressionally Directed Spending Requests**

Recipient Name	Project Purpose	Project Location	Amount Requested (\$000)
Wampanoag Tribe of Gay Head (Aquinnah)	Housing – Create affordable housing in order for Tribal Members to remain on the island or return to our homelands. Purchased Referred Care (PRC) Program Healthcare Supplementation – To provide additional funding/appropriations for our health care program.	Aquinnah MA	\$2,800
Food Link, Inc.	Food Link will expand food rescue and distribution operations at the Greater Boston Collaborative Food Access Hub in Roxbury, Massachusetts, recovering surplus food from manufacturers and distributors and delivering it to 118 partner agencies serving 200,000 people across Greater Boston.	Arlington MA	\$100
Sturdy Health	This project will renovate the current emergency department space into a 20-bed observation unit for patients who don't require inpatient admission. This investment is essential to relieve overcrowding, expand access, improve patient flow, and reduce avoidable hospitalizations.	Attleboro MA	\$709
Immigrant Family Services Institute	IFSI requests funding to equip and expand a culturally responsive, multilingual Early Learning Center in Mattapan, increasing capacity to serve immigrant and low-income families with high-quality early childhood education.	Boston MA	\$505
Cooley Dickinson Hospital	To expand access to addiction treatment and recovery support in the community by establishing an outpatient addiction Bridge Clinic at Cooley Dickinson Hospital in Northampton to increase access to high quality, immediately accessible addiction treatment and address rural health needs.	Boston MA	\$1,289
Codman Square Health Center	Primary care outreach initiative deploying a mobile health van with providers, nurses, and community health workers to deliver preventive care, screenings, vaccinations, and care navigation in Dorchester and surrounding neighborhoods.	Boston MA	\$280
Children's Hospital Corporation dba Boston Children's Hospital (Franciscan Children's Campus)	To open a state-of-the-art building offering a full continuum of health services to children with specialized needs. Funding will support three partial hospitalization/intensive outpatient programs for underserved populations.	Boston MA	\$4,000
Boston Home, Inc	This project supports limited-scope renovation and capital equipment for The Boston Home, a specialized skilled nursing facility. This request represents a vital investment in the future of specialized long-term care for adults living with advanced physical disabilities due to progressive neurologic	Boston MA	\$1,000
Tufts Medicine	Tufts Medicine seeks congressional support to replace its 21-year-old biplane imaging machine, the sole machine enabling Tufts Medical Center to provide rapid access to stroke care. The funding will cover the cost of purchasing capital equipment, including the unit, software, monitors, as well as co	Boston MA	\$2,688
Children's Advocacy Center of Suffolk County, Inc.	The Children's Advocacy Center of Suffolk County will design and launch a trauma-informed, child-centered facility that co-locates forensic, medical, mental-health, advocacy, and multidisciplinary investigation services so child victims and their families can access streamlined, expert care.	Boston MA	\$2,500
