

April 20, 2026

The Honorable Susan Collins
Chair
Senate Committee on Appropriations
Washington, D.C. 20510

The Honorable Patty Murray
Vice Chair
Senate Committee on Appropriations
Washington, D.C. 20510

The Honorable Cindy Hyde-Smith
Chair
Subcommittee on Transportation,
Housing and Urban Development,
and Related Agencies
Washington, DC 20510

The Honorable Kirsten Gillibrand
Ranking Member
Subcommittee on Transportation,
Housing and Urban Development,
and Related Agencies
Washington, DC 20510

Dear Chair Collins, Vice Chair Murray, Chair Hyde-Smith and Ranking Member Gillibrand:

I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2027 Transportation, Housing and Urban Development, and Related Agencies appropriations bill, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate. None of the entities for which I have requested congressionally directed spending are for-profit entities.

Sincerely,

Elizabeth Warren
United States Senator

**Warren, Elizabeth(D-MA) Transportation Housing and Urban Development
Congressionally Directed Spending Requests**

Recipient Name	Project Purpose	Project Location	Amount Requested (\$000)
Boston Area Gleaners, Inc	Boston Area Gleaners will complete construction of a distribution center creating a transformational resource for New England farms and food access groups. Based in Acton, MA, the building will be a vital hub to connect the Massachusetts food system and increase affordable access to nutritious food.	Acton MA	\$1,555
University of Massachusetts Amherst	This project will create a state-of-the-art demonstration kitchen with integrated, automated audiovisual production capabilities to support the UMass Amherst Nutrition Education Program, extension, research translation, and public engagement.	Amherst MA	\$900
Arlington Housing Authority	The purpose of this project is to complete a Deep Energy Retrofit at Cusack Terrace, which is one of the Arlington Housing Authority's Senior State-Aided Public Housing developments. This project involves replacing the failing gas fired heating system while decarbonizing the development.	Arlington MA	\$1,508
Old Colony Habitat for Humanity	Improve health outcomes, housing stability, and independence for vulnerable residents in the Greater Attleboro, Norton, and Raynham region. Aging in Place Program (Home safety and accessibility interventions for low-income seniors transitioning from hospital to home) and construction of a new home.	Attleboro MA	\$300
Residents First Development Corporation	River's Edge on the Concord is a housing development in Lowell, MA. This project seeks to expand affordable housing by adding additional units for low-income first time home buyers.	Beverly MA	\$800
Town of Bolton	This project replaces a failing culvert along Route 117 in Bolton, Massachusetts, a heavily traveled regional connector between Interstate 495 and Route 2, to prevent roadway disruption and improve stormwater resilience and safety.	Bolton MA	\$4,048
Inquilinos Boricuas en Acción, Inc.	Redevelopment of a vacant six-story office space that will be converted into new affordable rental apartments with a community-serving commercial space on the ground floor, located in Boston's South End.	Boston MA	\$1,500
Massachusetts College of Art and Design	This funding will support improvements to Massachusetts College of Art and Design's historic core buildings, facilitating better and more equitable public access to the college's community programming and educational offerings, by updating accessibility, way-finding, and other infrastructure.	Boston MA	\$1,100

The Children's Museum	The project will reduce utility systems vulnerabilities by protecting critical infrastructure and safeguarding the future of the Museum. This project will enable the Museum to continue providing enriching learning experiences to children and families, especially those in under-resourced communities.	Boston MA	\$3,000
Boston Housing Authority	The Boston Housing Authority has launched a long-term transformation plan for Mildred C. Hailey Apartments, working to improve housing quality for hundreds of low-income households. The upgrades will support a healthier and safer indoor environment, lower housing operating costs, increase the supply	Boston MA	\$2,000
Bunker Hill Community College	Construct a Workforce Training and Applied Learning Center, on the BHCC Charlestown campus. The Center will include space for Heat Pump/HVAC training, a battery academy, a black box theater for the Performing Arts program, and weather-proof storage space for property maintenance equipment.	Boston MA	\$4,125
Embrace Boston Inc.	The Embrace Center will be a civic and cultural home, as a gathering space for the arts, civic dialogue, educational programming, and community engagement. Artists, educators, organizers, and community members from all backgrounds will find a home for belonging in a central and historic location.	Boston MA	\$2,000
YouthBuild Boston	This project will involve Construction and Renovation of a Youth Empowerment and Vocational Excellence Center, in Roxbury, Massachusetts. It will house specialized training spaces to prepare underserved youth for careers in high-demand architecture, engineering, and construction industries.	Boston MA	\$2,850
University of Massachusetts Boston	Transform workforce readiness by strategically expanding and modernizing lab facilities to benefit degree-seeking students and non-degree seeking professionals pursuing upskilling and credentials.	Boston MA	\$2,500
Codman Square Neighborhood Development Corporation	The St. Matthew's project will create 74 new units of affordable housing, revitalize a blighted lot, rehabilitate two historic buildings (a school and a rectory), repurpose an existing church into housing, construct a new building on the site of a vacant lot and preserve a daycare and food pantry.	Boston MA	\$1,500
Boys and Girls Clubs of Dorchester, Inc.	The purpose of the project is to create a safe, modern, and versatile recreation space that enhances program quality and expands access to youth development opportunities. The project includes comprehensive upgrades to the gym which will enhance safety, functionality, and overall user experience.	Boston MA	\$290

Massachusetts Maritime Academy	Full Mission Engine Room Training Simulator will strengthen the maritime workforce pipeline and support national shipbuilding and sealift readiness. Additional support is needed due to rising costs to deliver critical, hands-on training in vessel operations and emergency response.	Buzzards Bay MA	\$1,320
Margaret Fuller Neighborhood House (Margaret Fuller House)	The Margaret Fuller Neighborhood House (MFNH) requests funding to construct a new Community Facility that will expand our Food Pantry and Community Engagement Programs. The new facility will allow us to serve a significantly higher volume of patrons in a fully ADA-compliant, and accessible space.	Cambridge MA	\$1,410
The Robbins House	The Concord Regional Heritage Connector brings the American Revolution and the untold stories of Patriots of Color to life with two electric vans linking Concord's heritage sites, providing accessibility for seniors, people with disabilities, school groups, and visitors to experience this history.	Concord MA	\$300
Town of Concord	This project would address a safety and accessibility gap near Wright Tavern and the Old Hill Burial Ground by constructing ADA-compliant pedestrian improvements, including curb cuts, an accessible landing area, and new stairs with handrails and improved sidewalk access.	Concord MA	\$500
Clear Path for Veterans New England Inc.	This project will create 23 units of permanent supportive housing for at-risk and homeless veterans at Veteran Pathways Journey Home Campus. Funding will support a shovel-ready project, expanding housing capacity and providing integrated support services to improve housing stability and outcomes.	Devens MA	\$2,000
Old Colony YMCA	Funding will support the renovation of a community center in rural East Bridgewater. This project will result in the reconfiguration of underutilized locker room spaces to create safe and accessible changing areas for youth and families and open space for healthy aging and wellness programs.	East Bridgewater MA	\$1,700
City of Fall River	Fall River will restore approximately three miles of its old waterfront freight rail system from Battleship Cove southward to the Town of Tiverton, Rhode Island. Once restored, this rail can be utilized for both municipal, private, and public uses, including an eventual public passenger service.	Fall River MA	\$800
Jewish Family Service of Metrowest, Inc.	This request seeks one-time funding for an older adult shared housing initiative: expanding a HomeShare program, activating existing housing space, and creating a micro-loan fund to help low-moderate-income homeowners prepare shared housing configurations and raise affordable housing availability.	Framingham MA	\$1,200

United Way of Tri-County	United Way of Tri-County seeks funding to execute our fully developed, partially funded plan for a new WHEAT Community Connections facility. This facility will include 8 accessible, permanent supportive affordable housing units, a food pantry, community café, a thrift shop, and office space.	Framingham MA	\$2,500
City of Gloucester	Funding to update and perform significant maintenance to the Fire Department Headquarters. The building is roughly 110 years old and needs to continue to be a habitable place for firefighters and administrative staff as well as function as a central fire station for the city.	Gloucester MA	\$2,000
Community Action Pioneer Valley, Inc.	This project will renovate the former Red Barn Grocery Outlet building to serve as a vibrant community resource center providing integrated services for people living with low incomes, reducing barriers to basic needs services, providing workforce development, and improving economic stability.	Greenfield MA	\$3,000
Town of Harwich	The Queen Anne Road Affordable Housing development will deliver units for income- and rent-restricted residents.	Harwich MA	\$1,500
Creative Haverhill Inc.	Cogswell ArtSpace revitalizes a historic school into a versatile community art center, fostering creativity and cultural engagement. This space will use arts and culture to create jobs, support low-income individuals, boost tourism, preserve history, and grant access to cultural activities.	Haverhill MA	\$500
YMCA of the North Shore	This project will build a new Haverhill YMCA to enhance access to childcare, early education, literacy programs, and youth mental health supports. It aims to improve outcomes for families and children, support low and moderate-income community members, and promote workforce strength.	Haverhill MA	\$7,000
Senior Center Roof Replacement	This project will replace the aging roof at Holden's Senior Center, which currently experiences routine leaks despite repeated repairs. The new roof will ensure a safe, reliable facility for seniors while protecting the building and supporting future improvements.	Holden MA	\$609
Holyoke Young Men's Christian Association	To improve indoor air quality and control, upgrade all lighting systems, and significantly reduce overall energy consumption by purchasing new equipment.	Holyoke MA	\$1,500
Massachusetts International Festival of the Arts (MIFA), Inc.	This request seeks funding to complete the restoration of the Victory Theatre's front-of-house facade—the full street-facing elevation spanning multiple stories, including the historic marquee, storefront-level entrances, and upper-floor window bays.	Holyoke MA	\$2,618

JFK Hyannis Museum	Located within the JFK Hyannis Museum, the Hub will serve as a year-round center for civic education and community engagement, welcoming learners of all ages—anyone seeking a deeper understanding of our democratic system through JFK's enduring legacy.	Hyannis MA	\$1,350
Greater Lawrence Community Action Council, Inc	Greater Lawrence Community Action Council's Olde Station Square project is the development of affordable housing units alongside commercial space in Lawrence, MA, to address urgent housing needs and foster local economic development through workforce programs.	Lawrence MA	\$5,249
Centro de Apoyo Familiar	To permanently expand affordable homeownership in Essex County by redeveloping distressed, underused sites into quality owner-occupied homes. The initiative will strengthen housing stability, neighborhood revitalization, and long-term housing stability for low-to-moderate-income families.	Lawrence MA	\$2,000
North Star Family Services	Funds will support predevelopment activities for Journey Home II, a permanent supportive housing development that will create 25 affordable housing units for families experiencing or at risk of homelessness.	Leominster MA	\$1,500
QNEST inc.	Our project is to open a QNEST house, a safe, long-term group home for youth who have experienced homelessness due to family rejection, where young people can live in a stable, affirming environment throughout their high school years.	Lexington MA	\$600
Kids in Tech, Inc.	The Innovation Facility will establish a publicly accessible learning space in Boston's Seaport—fulfilling a Chapter 91 public access requirement—providing hands-on STEM education, workforce exposure, and technology access for economically disadvantaged youth and families.	Lowell MA	\$1,500
City of Lynn	These funds will support the City of Lynn's efforts to improve the street grid in our South Harbor neighborhood, which will enable us to better support mixed-use, transit-oriented development consistent with community priorities.	Lynn MA	\$5,000
https://housingfamilies.org/what-we-do/housing/	To fund critical capital repairs to preserve affordable, project-based Section 8 housing units in Malden, ensuring safe, stable housing for chronically homeless and extremely low-income families. Funds will extend the properties' life while maintaining affordable housing in a high-cost region.	Malden MA	\$2,500

Greater Malden Asian American Community Coalition	To use an underutilized building as a regional Community and Cultural Center. The Center will foster partnerships, economic and workforce development, civic engagement, and community care, offering programs for seniors, families, youth, small businesses, and promoting regional economic resilience.	Malden MA	\$1,500
The City of Malden	The City of Malden is seeking funds to construct a brand new public park on 6.7 acres of newly acquired land in Fellsmere Heights. This project represents the final step in a 20+ year development project and over 10 years of community engagement.	Malden MA	\$3,000
Medford Public Schools	This funding supports constructing a centralized Community Hub within the Medford High School project, housing the Medford Family Network and District Welcome Center.	Medford MA	\$3,000
YOUNG MENS CHRISTIAN ASSOCIATION SOUTHCOAST INC	YMCA Southcoast requests funding to fully renovate the New Bedford YMCA, adding six new classrooms for children ages 3 months–13 years and inclusive, multi-generational spaces to serve all ages while modernizing 76,000 square feet of community infrastructure.	New Bedford MA	\$3,000
City of North Adams	This project would advance the design and engineering needed to reconstruct the City Hall intersection of State and Marshall Streets with the goal of improving connectivity and creating a safer, more accessible, and future-ready downtown.	North Adams MA	\$1,000
City of Northampton	To create a centralized, low-barrier day center bringing together health care, housing support, food access, and social services in one location. It will also serve as a climate shelter during emergencies, support the city's unarmed public safety response team, and provide a public community space.	Northampton MA	\$8,925
Town of Oak Bluffs	The project will construct critical coastal resiliency infrastructure, including shoreline stabilization, roadway reconstruction, and stormwater improvements, to protect public assets and restore safe access along East Chop Drive.	Oak Bluffs MA	\$8,000
City of Revere	This project would extend the operation of RC Link, an innovative and impactful public transportation service, through January 2029.	Revere MA	\$712
The Salem Pantry, Inc.	The Salem Pantry requests funding for vehicles to support expanded food procurement and food distribution across the North Shore. We will increase the amount of food we distribute significantly and food will go directly to the community.	Salem MA	\$438

City of Salem	Provide the families being served by Salem Public Schools with a full-service welcome center, including enrollment, transportation and wrap-around services to assist with housing, food insecurity, and other resources new families may need assistance with. It can also serve as a community place.	Salem MA	\$1,233
Town of Sharon	The Town of Sharon, Massachusetts seeks funding to improve safety at the library intersection by installing a mast arm pedestrian hybrid beacon, adding crosswalk markings, constructing curb extensions, and installing centerline curbing to calm traffic, reduce conflicts, and enhance safety.	Sharon MA	\$200
Broadway Magoun Reconstruction Project	The Broadway Magoun Reconstruction Project is centered around Magoun Square and will improve approximately 3,000 linear feet of roadway through ADA accessible and widened sidewalks, street repaving, traffic safety treatments, and urban tree canopy.	Somerville MA	\$1,000
Our Bright Future, Inc.	Our Bright Future seeks funding to transform the historic former Polish Club into an Innovation Education Hub that will provide youth and families with access to STEAM education, career exploration, and workforce development opportunities.	Southbridge MA	\$1,700
Way Finders, Inc.	Develop new sites into mixed-income apartments, through construction and the adaptive reuse of a historic school. The project will increase housing supply and deliver energy-efficient, community-oriented housing that expands access to safe, sustainable homes while preserving local character.	Springfield MA	\$3,000
Michael J Dias Foundation, Inc.	The Michael J. Dias Foundation seeks federal funding to acquire and rehabilitate a residential property in Western Massachusetts to establish affordable recovery housing for low- to moderate-income women in early recovery from substance use disorder.	Springfield MA	\$100
Urban Impact Initiative Massachusetts	As the second oldest commercial building in the city and listed on the Historic Endangered Properties List, Gunn Block holds tremendous cultural and architectural value. A comprehensive redevelopment strategy restores the structure for multiple economic and housing uses.	Springfield MA	\$1,000
EDC 413WORKS, Inc.	This project operationalizes the Commonwealth's Food Science Tech Hub designation by building economic infrastructure to translate research, small business activity, and industry coordination into job creation and inclusive growth.	Springfield MA	\$1,500
Springfield Day Nursery d/b/a Square One	Square One seeks funding to renovate a long-vacant, underutilized building and transform it into a Community/Family Resource Center and Workforce Development Hub. The high-risk, low resourced neighborhood faces lack of access to immediate services and resources needed to thrive.	Springfield MA	\$750

Revitalize Community Development Corporation	Aims to preserve affordable homeownership & improve community health by providing critical home repairs, mitigating environmental hazards, and revitalizing neighborhood conditions in low- and moderate-income communities across Springfield, Chicopee, and Holyoke.	Springfield MA	\$500
Town of Wellfleet	This funding would help the Town of Wellfleet repair their pier that suffered fire damage in 2025 and has an estimated repair cost of over 1.2 million.	Town of Wellfleet MA	\$1,618
Rural Development, Inc. (RDI)	Support for the creation and construction of units of multi-generational affordable housing in Erving, MA. Constructed in multiple Passive House buildings, this project, which has been designed in conjunction with the Town of Erving, will serve seniors and families in a campus like environment.	Turners Falls MA	\$1,100
City of Watertown	This project will recreate Watertown Square into a vibrant downtown that will reclaim greenspace, increase parking, and make it easier and safer to visit the Square by all modes of transportation. Funds will be used for construction to implement the final design	Watertown MA	\$500
The City of Woburn	The opening of the New Boston Street Bridge creates the need for the installation of new traffic signals and related safety improvements at the intersection of New Boston Street and Industrial Way.	Woburn MA	\$1,000
Senior Connection, Inc	This project will support construction of the 40-unit Grandfamily Village of Worcester, a first-in-the-region affordable housing community designed for grandparents and other relatives raising children, with on-site health, wellness, and family supports to help them age in place together.	Worcester MA	\$3,500
