Dear Senators,

I write in response to your letter to Trump Media and Technology Group ("TMTG") Interim CEO Kevin McGurn regarding TMTG's "understanding of the applicability of the settlement that President Trump and the Department of Justice (DOJ) entered into in May 2026." TMTG is not a party to such settlement and is not aware of any applicability to TMTG.

Additional information about TMTG—including material financial information—is publicly available via periodic filings and other disclosures with the U.S. Securities and Exchange Commission. In that connection, I note the assertion in your letter that TMTG "is majority owned by a trust that President Trump is the sole beneficiary of" is inaccurate.

Thank you for your interest in TMTG.

Sincerely,

Signed by:
