Dear Chair Boyd Britt and Ranking Member Murphy:

I certify that neither I nor my immediate family has a pecuniary interest in any of the Congressionally Directed Spending items that I have requested, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate. I certify that the entity for which I have requested Congressionally Directed Spending is not a for-profit entity. The reason for this necessary change is to reflect the correct recipient name in the public disclosure.

Account: Homeland Security (HLS)

Project: Nantucket Emergency Siren System

Recipient:

Project Purpose as originally requested in Legi-Mate: This project will enhance the emergency notification system for the island of Nantucket by enhancing a real-time audible alarm for threats facing the community and visitors. It is an essential part of the emergency management of the island to assist in mitigating severe weather notifications.
